

purple challenge

epilepsy

We hope to increase understanding of epilepsy and be able to support more people living with epilepsy - but we can only do that with your help. Join us and take on the purple challenge, six challenges that could make all the difference!

raising awareness

- put up 5 first aid posters around campus
- give out 20 first aid cards
- share one of our youtube videos on social media

raising valuable funds

- hold a cake sale
- hold a wear purple day
- organise a street collection

thank you
